

Please Join the Oregon Water Resources Department and Its Co-Sponsors for

Oregon Water Supply and Conservation Initiative

Statewide Water Demand Forecast and
Inventory of Potential Conservation Opportunities

WORKSHOPS

March 4 – Salem, 9:00 am to Noon

725 Summer St, Salem • Oregon Water Resources Dept, Conference Rooms 124 A&B

March 7 – Medford, 9:00 am to Noon

10 S Oakdale, Medford • Old Jackson County Courthouse First Floor Meeting Room

March 18 – Central Oregon, 9:00 am to Noon

827 SW Deschutes Ave, Redmond • Redmond Library

March 19 – Pendleton, 9:00 am to Noon

500 SW Dorion, Pendleton • City of Pendleton Community Room at City Hall

The workshops are part of the Oregon Water Resources Department's efforts to assess water demands and opportunities for water conservation throughout the state. Your input is needed to help us collect the data necessary to build a long-term picture of Oregon's water resources. Please join us.
