RENEWAL FORM
FOR EMERGENCY DROUGHT WATER USE PERMIT

As authorized by OAR 690-019-0085

This form may be submitted by persons who were previously issued a drought permit in an area where the state drought declaration has continued to be in effect.

Contact information: Name:_____

Address:_____

City:_____ State:_____ Zip:_____

Phone Number:_____

1. Continuing drought conditions have created an inability to obtain water under an existing water right. YES_____ NO_____

2. Application file number _____ and permit number _____ of permit you wish to renew.

3. I wish to make changes to the previously issued drought permit YES_____ NO_____

   If yes, you must identify any proposed changes that are not consisted with the previously approved drought water use authorization. You may choose to make notes on a copy of your drought permit. Attach a copy of your previously issued drought permit and/or additional sheets if necessary.

   If yes, the Department will review your request for proposed changes. If the Department determines that the renewal request proposes to substantially alter the previously approved drought water use authorization, the Department may require the filing of a new application.
